

# FIRST CALL FOR PAPERS

International Symposium on Fire Investigation Science and Technology  
September 24-16, 2018

[www.nafi.org/learn](http://www.nafi.org/learn)

ISFI is a biennial symposium specializing in the application of modern fire science and technology to fire investigations and analyses. ISFI 2018 will bring together a cadre of internationally known and respected fire investigation professionals to present and discuss the cutting edge fire investigation science, research, technology, and methodology.

## CALL FOR PAPERS

The symposium will present papers covering a broad spectrum of fire investigation topics, including:

### Fire Science

Research  
Chemistry/Physics  
Fire Dynamics  
Explosion Dynamics  
Fuels/Materials

### Investigation Technology

Fire Modeling  
Electrical Fire Causes  
Scene Processing  
NFPA 921  
Training Programs

### Investigation Methodology

Legal Issues  
Origin Determination  
NFPA 921  
Scene Processing  
Explosions

Authors wishing to present papers at ISFI 2018 should submit abstracts not to exceed 750 words by April 1, 2018. Authors whose abstracts are selected for paper presentation will receive a substantial discount on the symposium registration fee. Successful submission authors will be notified by April 15, 2018. Each accepted paper will receive up to two discounted registration.

Completed papers are due in the ISFI offices by August 1, 2018.

Each day of the Symposium will feature two plenary session presentations in the mornings, daily luncheons, refreshment breaks through out the day, afternoon breakout presentation lectures in the afternoon, and panel discussions to end the day. Copies of the ISFI 2018 Proceedings will include all ISFI 2018 papers and will be distributed to each symposium delegate.

Registration fees includes admission to morning plenary sessions and afternoon parallel breakout lectures, daily continental breakfast, all-day coffee/refreshment breaks, one copy of the Symposium Proceedings, and Certificate of Attendance. Registration fees do not include lodging accommodations or other subsistence.

The 2018 International Symposium on Fire Investigation Science and Technology lectures, breakouts, and social events will be hosted by the Westin Chicago Northwest, Itasca, IL. Delegate lodging will also be available through Westin Chicago Northwest. Special room rates of \$140.00 per night with free parking for attendees. Reservations should be made directly with the Hotel, 400 Park Blvd., Itasca IL 60143. Register by calling 1-630-773-4000 and mention NAFI's International Symposium on Fire Investigation.
