

FIRST CALL FOR PAPERS

International Symposium on Fire Investigation Science and Technology
September 16-18, 2024

www.nafi.org/learn

ISFI is a biennial symposium specializing in the application of modern fire science and technology to fire investigations and analyses. ISFI 2024 will bring together a cadre of internationally known and respected fire investigation professionals to present and discuss the cutting edge fire investigation science, research, technology, and methodology.

CALL FOR PAPERS

The symposium will present papers covering a broad spectrum of fire investigation topics, including:

Fire Science

Research
Chemistry/Physics
Fire Dynamics
Explosion Dynamics
Fuels/Materials

Investigation Technology

Fire Modeling
Electrical Fire Causes
Scene Processing
NFPA 921
Training Programs

Investigation Methodology

Legal Issues
Origin Determination
NFPA 921
Scene Processing
Explosions

Authors wishing to present papers at ISFI 2024 should submit abstracts not to exceed 750 words by April 1, 2023. Authors whose abstracts are selected for paper presentation will receive a substantial discount on the symposium registration fee. Successful submission authors will be notified by April 15, 2023. Each accepted paper will receive up to two discounted registration.

Completed papers are due in the ISFI offices by August 1, 2024.

Each day of the Symposium will feature two plenary session presentations in the mornings, daily luncheons, refreshment breaks throughout the day, afternoon breakout presentation lectures in the afternoon, and panel discussions to end the day. Copies of the ISFI 2024 Proceedings will include all ISFI 2024 papers and will be distributed to each symposium delegate.

Registration fees include admission to morning plenary sessions and afternoon parallel breakout lectures, some meals and breaks, one copy of the Symposium Proceedings, and Certificate of Attendance. Registration fees do not include lodging accommodations or other subsistence.

The 2024 International Symposium on Fire Investigation Science and Technology lectures, breakouts, and social events will be hosted by the DoubleTree Orlando at Seaworld, Orlando, FL. Delegate lodging will also be available through DoubleTree Orlando at Seaworld. Special room rates of \$119.00 per night with free parking for attendees. Reservations should be made directly with the Hotel, 10100 International Drive, Orlando, FL 32821. Register by calling 1-407-352-1100 and mention NAFI's International Symposium on Fire Investigation.
